

# GVHP PrimeCARE

## The care you need, at a price you can afford!

GVHP PrimeCare offers direct access to a range of Primary and Urgent health care services. These services are provided at GVHP Family Health Centers, located throughout the Grand Rapids Area.

For a low, pre-paid annual fee, GVHP PrimeCare gives you access to routine preventative and urgent medical services without the need for insurance. There are no monthly bills, and no co-pays required. The number of appointments allowed in a 12-month period is based on the package you choose.
