

Why choose Grand Valley Health Plan (GVHP)?

- We accept patients with traditional Medicare Part B.
- We have a Family Health Center right in your neighborhood.
- You can request to see the physician of your choice.
- We provide free, up-close parking.
- Our buildings are all handicapped accessible and provide a warm, comfortable setting.
- When calling for an appointment during regular office hours, you will always get a live person ready to assist you.
- We submit all of your claims to Medicare for payment, so you don't have the hassle of paperwork!

How do I become a GVHP patient?

- Simply call a Customer Service Representative at **(616) 949-2410**. They will provide you with a Patient Handbook and Registration Form.
- Schedule an appointment at the GVHP Family Health Center of your choice.
- When going to your appointment, please bring your Registration Form and Medicare Identification Card. *We can help you fill out your form or fill it out for you.*

That's all there is to it. GVHP takes care of the rest. We promptly and directly submit your claims to Medicare for payment, so you don't have the worry or expense.

GVHP's Customer Service Representatives are happy to answer any questions you may have.

What is Medicare?

Medicare is a Health Insurance Program for:

- People 65 years of age or older
- Some people with disabilities and under the age of 65
- People with End-Stage Renal Disease (permanent Kidney failure requiring dialysis or a transplant).

What is Medicare Part B?

Medicare Part B helps pay for doctors' services, outpatient hospital care, and other services that Part A does not cover, such as physicals, occupational therapy, and home health care.
